

8 MAY 1957

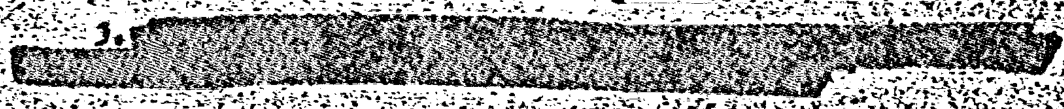

MEMORANDUM FOR: Assistant to the Director

ATTENTION: Mr. [redacted]

SUBJECT: Leon Davidson Letter to the DCI

1. Attached is a suggested reply to Mr. Davidson. We have ascertained that the recording in question was forwarded to CSI and found to be Morse code of US origin.

2. Arrangements have been made with ATIC for a letter to be sent by them to Mr. Davidson explaining that they have found the report and telling him what the findings were.

3. [redacted]

SIGNED [redacted]

Deputy Assistant Director for Operations

Mr. Leon Davidson
64 Prospect Street
White Plains, New York

Dear Mr. Davidson,

Reference is made to your 21 April 1957 letter addressed to Mr. Dulles. A survey of the intelligence community has resulted in the determination that the tape in question was analysed by another agency of the government. We believe that you will receive another communication shortly from the Air Force which will answer your query as to the nature of the recording.

Yours truly,

J. Arnold Shaw
Assistant to the Director
